Akhil s

Front End Developer

euginesanju24@gmail.com/8921358445/ https://www.linkedin.com/in/akhil-s-6a4404228

PROFESSIONAL SUMMARY

I am a skilled and detail-oriented Front-End Developer with expertise in building dynamic and responsive web applications, specializing in eCommerce development. With a strong foundation in JavaScript, HTML5, SCSS, and jQuery, I am adept at creating seamless user experiences and optimizing site performance. I have hands-on experience working with modern technologies such as GraphQL for data fetching and Bootstrap for responsive, mobile-first design. Passionate about writing clean, maintainable code, I consistently deliver high-quality solutions that align with client goals and industry standards.

Skills

HTML5   Sass   JavaScript   Es6   JQuery Responsive Design Graphql oops   Handlebar   Stencil Cli   Bootstrap   Rest Api   BigCommerce   Figma   Adobe Xd   Git   Widget Builder   E-commerce

EXPERIENCE

Front-End-Developer: AdroitMinds Software Labs   **August 2022 - May 2025**

Experienced in spearheading multiple BigCommerce projects, specializing in widget development leveraging GraphQL. Proficiently enhanced cart functionalities, implementing brand grouping strategies.

Developed custom widgets using GraphQL to enhance user experience on product pages. Designed and implemented a brand grouping system within the cart for efficient shopping

I have solid experience converting Figma designs into fully responsive, pixel-perfect websites using HTML5, CSS3, and JavaScript. I'm skilled at interpreting design specs, maintaining design fidelity across devices, and optimizing layouts for performance and accessibility. This includes integrating interactive elements, ensuring cross-browser compatibility, and aligning closely with UX/UI best practices.

Education

Degree,
Graduation Year (2019),
Kerala University, Location
Diploma in Web Development

PROJECTS/ All projects involved seamless integration with the BigCommerce backend and collaboration with backend developers. Additionally, ensured connectivity with marketplaces for expanded reach and sales opportunities
